Mahalo, Dean.

I've cc'd my colleagues, Bill Doughty and Kathy Isobe (Tom Clements' relief). Bill's been leading our communications efforts working closely with Jimmy Miyamoto and the rest of the Navy team, and will likely be the one getting back to you from my office.

Subject: [Non-DoD Source] Red Hill AOC Draft Talking Points for Non-Disclosure Agreement (NDA) and next week's meetings

Hi folks,

Here is a draft of talking points addressing the NDA requirement in relation to next week's meetings. The idea is to have these available to EPA, DOH, Navy in the event some of the SME's do not sign the NDA and we receive questions (media or otherwise) about the requirement, participation or non-participation by any of the SME's, and availability of information from the meetings.

Please take a look, feel free to share any edits or add any additional talking points you may have been working on. Hoping to get this wrapped up by Monday or sometime late Monday to have once the meetings begin.

Thanks!
